Working hours, patterns and environment

Hours will vary and you're likely to work shifts mainly in the evenings and at the weekends and public holidays. We work at a range of venues. You may have to work in a noisy and busy environment. You may be asked to lift heavy items like crates of drinks and glasses. You will need to be over the age of 18 to serve drinks behind a bar. Ideally you will need to drive to different locations although travel can be arranged.
